Moderating/Presiding
Maria Marron, Nebraska

Contributors
Dorothy Bland, North Texas
Meredith Pruden, Georgia State
Pam Creedon, Iowa (emerita)
Debra Mason, Missouri (emerita)
Lori Brost, Central Michigan

This panel will address Misogyny and Media by having contributors to the book edited by Maria Marron, Misogyny and Media in the Age of Trump, present chapters/papers based on their research. The book, published by Lexington in December 2019, argues that misogyny has increased in the United States under President Trump and that although women’s experiences under misogyny are by no means universal, patriarchal social and institutional systems facilitate gender-based hostility.
